

Dear Recruiter,

Maria Ruelaz has been a part of the team going on 3 seasons now and has been an exemplary player and leader. She is an outstanding hitter and a defensive force on the field. She is always willing to help teammates and is an inspiring leader. In addition to her skill and leadership, Maria is a model of sportsmanship and teamwork. She is a team player and always puts the team before herself. She is always willing to help her teammates and is willing to do whatever it takes to help the team succeed. I have no doubt that Maria would be an asset to any team and any program. She is a leader, a role model, and a great teammate. In my opinion, she is all around the finest player and leader that I have ever had the privilege to be around.

Sincerely,

Josh Beug
