To Whom It May Concern:

I am proud to offer my recommendation of Maria not only as a student-athlete but more importantly, as a person. I have had the privilege of getting to know her the last 3 years while having her in class as well as serving as her Athletic Trainer. The excellence she displays in her athletics is reflected in her academic efforts. Her unrelenting desire to continuously better herself is something that I admire.

Please do not hesitate contacting me to speak more on Maria's behalf.

Respectfully,

Laurence Castillo
